

COMMERCIAL INSTALLATION

TRANSFORMING A WIDE VARIETY OF ENVIRONMENTS

As the most comprehensive provider of commercial landscape builds and maintenance services in Central Ohio, EMI can handle all aspects of your project scope as well as ongoing management of your site. EMI has been awarded bids from ODOT, city/state government plans, medical facilities and Class A office parks and apartment/condo settings—just to name a few.

Our frequent project partnerships often stem from trusted relationships with construction companies, civil engineers, excavators, city planners and landscape architect firms. We also support local product partners in our work by utilizing Central Ohio vendors for our material supply needs.

OUR PROJECT EXPERIENCE INCLUDES:

- Apartment Communities
- Commercial Real Estate
- Hotel/Restaurant
- Office Campuses
- Parks & Sports Complexes
- Public Facilities
- Retail Centers
- Transportation
- Wastewater Treatment

DO YOU HAVE RENOVATION NEEDS?

Properties can easily become untended over the years—often due to poor or outdated design and material usage. We work to create landscapes that are easier to maintain while also working to increase the property's value and enhance "curb appeal." Let our professional Landscape Architects suggest improvements to your site, including:

- Creative new structures/plantings to existing landscape
- Replacement/Repair of old structures
- Removal of older plantings not suited for the landscape environment

ALL-INCLUSIVE RFQ PROCESS

Whether a new design/build project or an installation, EMI is an industry innovator while achieving:

- Competitive Bidding
- Contractor Coordination
- Efficient Response Time
- Accurate Estimates
- Material Safety Data Sheets availability at our website

To Submit an RFQ for EMI to evaluate, please call our office to be put in touch with the correct team member.
