

GROUNDS MAINTENANCE

PROTECTING YOUR PROPERTY INVESTMENT

The appearance and continuity of your property's aesthetics is a valuable asset to your business as well as the image of quality that you leave with your visitors, clients and/or residents and staff members. EMI's full-service grounds maintenance division will implement a plan developed specifically for your site and budget—protecting your landscape investment and keeping your property looking beautiful in all seasons.

SERVICES AVAILABLE:

- Seasonal color displays & maintained container gardens
- Turf care (mowing, trimming, aeration, grub application & slice seeding)
– Applications are catered to your budget and property specifics
- Weed control (organic programs available)
- Fertilizing
- Pruning/Rejuvenation
- Arbor care to trees & shrubs
- Landscape repairs
- Integrated Pest Management (IPM)
- Aquatic maintenance & pest control
- Irrigation & water conservation solutions
- Interior plantscaping (sourcing, sales & care)

ALL MAINTENANCE PACKAGES INCLUDE:

- Services based on appropriateness & your choosing
- Proactive planning for your specific needs
- Regular surveying for new situations in need of attention
- Project updates communicated up front
- Consistent scheduling and timeliness guaranteed
- Service receipts provided upon the close of each job
- You'll always know when/what to expect us and what work we've completed!

GREEN & SUSTAINABLE PROCESSES

At EMI, we are continuously conscious of available *green* practices:

- Our Integrated Pest Management (IPM) practices can bypass the use of pesticides using natural effects.
- EMI recycles 100% of the yard waste collected and composts it into usable mulch/soil.
- Our products and materials are sourced locally—saving transportation.
- The EMI mower fleet uses electronic fuel-injected mowers (reducing fuel usage by 20%).
- Organic-based fertilizers are available.
